Eyewear
BlueLight Photochromic
COLLECTION

About Us

Eyewear by Joan is where style meets clarity. Each frame is designed to combine elegance, comfort, and modern fashion. From blue light glasses to photochromic lenses, and prescription-ready frames, every piece reflects precision, quality, and a passion for detail.

Our mission is to help you express your unique style, making every eyewear choice a statement of confidence and individuality.

“
Frames that
define your
style, lenses
that reflect
your vision.”

Blue Light Glasses

Protect your vision in style with our Blue Light Glasses. Designed to reduce eye strain from digital screens, each frame balances comfort, functionality, and timeless elegance, making them perfect for everyday wear. Crafted with lightweight, durable materials, these glasses provide a snug yet comfortable fit for long hours of use—whether you're working, studying, or scrolling. The lenses filter harmful blue light, helping to prevent headaches, blurred vision, and disrupted sleep patterns.

Nova

Classic round frame with a sleek matte finish. Everyday essential.

15,000XAF
